

HOW TO FILL IN MY PLANNER AT STEM

Whenever STEM students hear about homework assignments in class or see them written on the white board, they should use the following steps to write them in their planners!

Additional Resources on the STEM Website (under "School Info")

7th Grade students can check E-Board

8th Grade students can check Wiki Space

Always write down subject first!

DAILY ASSIGNMENTS:

Write down assignments on the day that they are assigned.

Be specific!

Remember: The more you write, the less you have to remember

EVENTS / LONG TERM ASSIGNMENTS:

1. Write the event on the day it will take place (Quiz Today!)
2. Write the homework every night leading up to the event (Study)
